

To parents and guardians: About Skolelyst® from TINE

School milk? Oat milk? Fruit juice? Chocolate milk?

Skolelyst® is the school milk program from TINE. Create the subscription and pay directly on skolelyst.no. We deliver the products to the school, and the school make sure your child gets the products in your subscription.

No sugar added

The beverages have no sugar added, nor artificial sweeteners. Only the original sugar milk and fruit contains naturally.

Product selection at your school

Each school determine their own selection of products based on the range Skolelyst offers. Lettmeik 1 % fat and Lettmeik 0,5 % fat is mandatory. Find your school's selection here: skolelyst.no/aktuelt/produktutvalg.

Lunch inspiration

Skolelyst from TINE want to encourage everyone to minimize food waste. As a result, we offer lunch recipes that includes foods we typically let go to waste too soon: skolelyst.no/aktuelt/fra-matsvinn-til-matpakker.
