6. Behandle innkomne forslag og saker

a) Medlemsansvarlig

Alwyn: Proposes that Medlemsansvarlig becomes a dedicated position in the club as this requires a lot of work tracking membership and who has paid. He further remarked that it is typical for players to want to arrange their memberships and licence the evening before an event when this should be done at the beginning of the season and well in advance. The club risks fielding non-eligible players and uninsured players unless this is done properly.

Nathan: Proposes a system where a list of paid members is produced to see who can play prior to an event.

Andre: Nominates himself as Medlemsansvarlig so there is no need to appoint a new role.

Board votes unanimously in favour of Andre's proposal.

b) Rekrutteringsansvarlig

Russ: Proposes that the above is an official role. Responsible for recruitment under guidance of the board.

Andre: Proposes a recruiter for each group – Juniors, Ladies and Men.

Nathan: Recommends we defer until we know the situation regarding funding for junior development from NRF (mid-April)

AGM votes 11 votes to 1 in favour of Andre's proposal.

7. Fastsette medlemskontingent

Board proposes the fees are kept the same (300kr per year, 300 kr per semester for juniors)

Russ: Raises point that it is perceived as unfair to charge Junior membership twice in a year.

Alice: Clarify if this includes social membership; Adult membership is one price across the club.

Ida: Recommends SRK includes this information regarding membership fees in publicity as it amongst the cheapest fees among sports clubs in Stavanger.

Unanimous vote in favour of the board's proposal.

8. Vedta idrettslagets budsjett

Alwyn: Runs through budget and stresses the importance of fundraising - it is what keeps the club viable and allows the club to purchase new / replace equipment and support travel.

Forecast spend and income is based on an expected reduction in members by 20% based on the many members moving away from Stavanger in the last 6 months.

Further items for spend should be raised formally in the monthly board meetings – to do so the club must be emailed in advance of the meeting, citing the equipment, travel, etc. to be purchased, at least 1 quote (an email or link will suffice) and an initial plan for fundraising, claiming funds from sports bodies etc. when possible.

Any travel support is only for club members and must be requested 3 weeks in advance.

Chris: Would like to purchase kits for Beserkers (approx. 10 000 kr)

Mike: Recommends we contact Kommune for funds when hosting NM events

Andre: Wants 1000 kr to revamp scrum machine.

Chris requested clarification on expenditure and income for 2017. Alwyn provided this based on figures from end of February.

Andre: Would like to look into getting a larger storage container for the future.

Unanimous approval of Budget for 2017.
